24—*Whereas* certain rules and regulations, touching the examination of persons as Students-at-Law, and Attorneys, and the admission of Attorneys and Barristers of the Supreme Court, were duly made by the Barristers' Society in Hilary Term last, at a meeting of the said Society holden at Fredericton, pursuant to the Act of Assembly, 9th Vic. c. 49, which said rules and regulations have been sanctioned by the Judges of this Court, in conformity to the said Act, and are as follows:—

“At a meeting of the Barristers' Society of New Brunswick, holden in the Supreme Court Room, at Fredericton, this 8th day of February, A.D. 1874, the following rules were adopted:—

RULES TOUCHING THE EXAMINATION OF PERSONS AS STUDENTS-AT-LAW AND ATTORNEYS, AND REGULATING THE ADMISSION OF ATTORNEYS AND BARRISTERS OF THE SUPREME COURT.

“I. That before any person is presented to the Barristers' Society for the purpose of being examined, in order to his being entered as a Student in the Office of any Barrister of this Society, he shall present a Petition to the Benchers, setting forth his age, place of birth, residence, place of education, the branches in which he is prepared to undergo an examination, and the name of the Barrister with whom he purposes studying; which Petition shall be subscribed by the applicant, and certified by such Barrister, as to his character and habits, and that he verily believes him to be a proper person to be admitted as a Student-at-Law; and upon such applicant being approved of by the Benchers, he shall be fully and strictly examined in the English and Latin Languages, Mathematics, Geography and History, by the said Benchers, or any three of them at Fredericton.

- “II. That upon the applicant passing such examination, and the Benchers being satisfied as to his moral character, good habits, and fitness to enter upon the study of the Law, he shall receive a certificate to that effect
- “III. That every Student making application for admission as an Attorney, shall give a Term's notice thereof to the Society, and shall undergo a full and strict examination before the Benchers, or any three of them, in the Elementary principles of the Law of Real and Personal Property, Forms of Action, Pleading, Evidence and Practice.
- “IV. That upon the Student passing such examination, and the Benchers being fully satisfied as to his moral character, habits and conduct during the term of his study, he shall be recommended for admission as an Attorney; provided always, that in case any Student shall not pass his examination before three of the Benchers as aforesaid, such Benchers shall report the fact to the whole body of Benchers, and he may be heard before them against the refusal of his certificate.
- “V. That every Attorney applying to be called to the Bar, shall give to this Society a Term's notice of such his intention; and if, during the period since his admission as an Attorney, his practice and conduct have been professional and honorable, and no objections are made to his moral character and habits, he shall be recommended accordingly: but if objections be made, an enquiry therein shall be instituted by the Benchers, or a Committee of them; and upon such inquiry, the said Benchers, or a Committee as aforesaid, shall either grant or withhold a certificate of recommendation for such Attorney's admission as a Barrister, as to them may appear just and right in the premises.”

FURTHER REGULATIONS BY BARRISTERS' SOCIETY, PASSED 8TH FEBRUARY, 1867.

Before any person is presented to the Barrister' Society, for the purpose of being examined, in order to his being entered as a Student in the office of any Barrister, he shall give a Term's previous notice in writing put up in the Library Room, on or before the first Friday of the Term, and shall present a Petition to the Council of the said Society, setting forth his age, place of birth, residence, place of education, the branches in which he is prepared to undergo an examination, and the name of the Barrister with whom he proposes to study, which petition shall be subscribed by the applicant, and certified by such Barrister, after a careful enquiry and personal examination, as to the character, habits and education of the applicant, and that upon such enquiry and examination, the Barrister verily believes the applicant to be a proper person and properly qualified to be admitted as a Student-at-Law, and upon his being approved by the Council, he shall be fully examined at Fredericton, at such time as may be appointed, by questions in writing, in such branches as two members of the Council (one being an examiner) may determine, subject to the approval of a Judge, and who shall certify accordingly.

Upon the applicant passing such examination, and the Council being satisfied as to his moral character, good habits, and fitness to enter on the study of the Law, he shall receive a certificate to that effect.

Every Student making application for admission, as an Attorney, shall give a Term's notice, by a writing for that purpose put up in the Law Library on or before the first Friday of the Term, and shall undergo an examination at such time and place as the Council or any two members thereof, (an examiner being one), may appoint, by written questions previously prepared, under the authority of the Council, who may alter, add to, or amend the same, for such Student or Students to answer, who shall put the answers to such questions in writing and during such examination shall not be permitted to refer to any book, or person, or other source of information, to assist him in such answers, and shall write the same in a legible hand, in the presence of one of the said Council, or the Secretary of, the said Society, which written answers shall be submitted to the aforesaid two members of Council for their opinion upon the same, who, after examination, shall submit them for the approval of one of the Judges, such answers to be so submitted and decided on, without the said members or Judge knowing the name of the respective parties who gave in the same, such answers being designated by letters or numbers only; and if such Student shall be deemed qualified, he shall receive a first, second or third class certificate, according to the merits of his written answers.

That upon a Student passing such examination, and the Council being fully satisfied as to his moral character, habits and conduct during the term of his study, he shall be recommended for admission as an Attorney.

And whereas it is highly necessary, as well for the interest of every person entering upon the study of the Law, as for "securing to the Province and the Profession, a learned and honorable body," especially in the late curtailed period of study, that students of the Law, during their Studentship, should confine themselves exclusively to the study of their profession, and not receive any emolument or reward for their services, or engage in any other profession, business, or employment: No Student, therefore, shall receive any salary or remuneration whatever for his services from the Barrister with whom he studies, nor from any other person, nor shall he be allowed to practice or try causes in any Court, on pain of being refused admission.

Every Attorney applying to be called to the Bar shall give to this Society, a Term's notice of such his intention, and if during the period since his admission as an Attorney, his practice and conduct have been professionable and honorable, and no objections are made to his moral character and habits, he shall be recommended accordingly, but, if objections be made, an enquiry therein shall be instituted by the Council, and upon such enquiry the said Council shall either grant or withhold a certificate of recommendation for such Attorney's admission, as Barrister, as to them may appear just and right in the premises, subject to appeal as aforesaid.
